

Please fulfill your duty to the American people and stop Sinclair Broadcasting from subverting our Constitution by forcing its stations to air an anti-Kerry documentary days before the election. This is where dangerous media consolidation has brought us.

We all know this is a partisan effort to poison the national dialogue by filling the airwaves with distortions and propaganda by Republican Mr. Hyman who has contributed thousands of dollars to the Bush campaign, so he can gain more control of the broadcasting venues.¹

Please intervene and put a stop to Sinclair's flagrant abuse of power. Thank you.
